

# APRIL NEWS

## A NOTE FROM THE TEACHER:

The earth is the LORD's, and everything in it, the world, and all who live in it; for he founded it on the seas and established it on the waters. Psalm 24:1-2

## EVENTS

Please continue to practice basic math facts at home. We are currently working on completing 100 multiplication math facts in 5 minutes.

Please study for weekly spelling tests.

Please review Bible memory verses each week.

Chip days: April 09th & 23rd

Club Reading 175 due: Apr. 07th

Hot Lunch: Apr. 25th

## LEARNING FOCUS

**Language Arts:** We will be exploring poetry this month. We are working on finishing our short stories and will be presenting them in class. Keyboarding skills will be introduced later this month using the All The Right Type program.

**Math:** Students are learning to relate geometric properties to shape. We have started to learn about regular and irregular polygons, and angles.

**Social:** We are extending our learning about services and learning about the relationship between goods and services. Our next unit will cover how people and communities work together.

**Science:** Earth systems is our new unit. We are learning about God's creation and will be investigating the interconnection between a variety of earth systems.
